Your Impact in Action

Clients and staff at Sarah's Circle have been hard at work to achieve results this year. Three quarters through 2019, here is an update about our progress thus far:

There is still work to be done, but your support is changing lives each day.
40th Anniversary Special: From Volunteer-run to Volunteer-supported

Did you know? For the first five years Sarah's Circle was open, the agency was run entirely by volunteers!

The first paid staff members were not hired until 1984, and the first Executive Director, Gail Russel, was not hired until 1992.

While now Sarah's Circle has nearly 30 employees, we still rely on our volunteers! Last year volunteers gave over 4,200 hours and provided over 330 meals!

Learn more about the agency's history in our 2018 Annual Report.

Volunteer Spotlight: Juliana Thewis, Monthly Lunch Donor

This month, we'd like to spotlight Juliana Thewis, who donates sack lunches for the women at Sarah's Circle every month.

Juliana says, "It's not easy for me to volunteer from 9-5, and this is a great way to help locally in the time that I have!"

We'd also like to thank Juliana for spreading the word about Sarah's Circle to her co-workers at Bartlit Beck LLP, as they too have gotten involved with our volunteer program.

Thank you, Juliana, for volunteering your time, donating lunches, and advocating for the women at Sarah's Circle!
