Dear Friends,

By offering your help, you are ensuring that every woman in Chicago can enjoy the safety and comfort of a home of her own. For 40 years, Sarah's Circle has depended on the generosity of donors and volunteers in order to help women rebuild their lives. Thank you!

Building Update: We've Broken Ground!

Earlier this month, Sarah's Circle celebrated breaking ground on a new building to include 38 units of Permanent Supportive Housing as well as an improved space for our 50-bed Interim Housing Program.

Click here to watch an interview about the project with Executive Director Kathy Ragnar from Fox 32 Chicago.

Construction is projected to be completed by the end of 2020. We look forward to handing the keys over to 38 women who will enjoy life in their new, stable, and permanent homes.

40th Anniversary Special: Our First Groundbreaking

Back in 2012, when our second building was just a dream, Sarah's Circle broke ground on our first development at 4838 N Sheridan Rd. This building is now home to our Daytime Support Center, 10 units of Permanent Supportive Housing, and our administrative offices. This first groundbreaking was a tremendous milestone for Sarah's Circle, as our first building allowed for an increase in services while adding financial sustainability.

Learn more about the agency’s history in our 2018 Annual Report.

Volunteer Spotlight:
Lauren Reilly, Daytime Support Center Volunteer

This month, we’d like to thank Lauren Reilly for her weekly commitment to Sarah’s Circle for the past year. Lauren first got started volunteering at Sarah’s Circle as part of a project for her college course but has continued well beyond the class. She says that "the women at Sarah’s Circle bring a smile to my face every time I am there."

As an Uptown Resident, Lauren says, “I think it is essential to consider what is going on in your neighborhood and find ways to give back there before you try to change the world.”
