Mission Statement
Sarah’s Circle is a refuge for women who are homeless or in need of a safe space. By providing life necessities, housing, case management, clinical and social services, we encourage women to empower themselves by rebuilding both emotionally and physically; realizing their unique potential.

Dear Friends,

In 1979, three women in the Uptown neighborhood saw the plight of women who were homeless. They were often cold and seeking shelter, hungry, highly vulnerable, and alone. Sarah’s Circle was started with compassion and spirit of service, and our agency continues to be a safe, welcoming place for women experiencing homelessness. With our resources and services, women are able to access shelter, food, showers, community, and more.

From our humble beginning, Sarah’s Circle has grown to an agency providing a full continuum of services, but our mission remains the same. We serve women who are homeless, with a focus on transitioning women from homelessness into permanent housing.

After 40 years of service, Sarah’s Circle is still growing to meet the needs of women. There are over 2,000 women who are homeless in Chicago today. With the continued loss of affordable housing in our communities, Sarah’s Circle is increasingly focused on permanent supportive housing solutions.

Thanks to a transformational $14 million gift from an anonymous donor, Sarah’s Circle is able to meet this challenge head on by breaking ground on a new facility at 1005 West Leland Avenue in the summer of 2019. Here, Sarah’s Circle will build 38 permanent supportive housing units and an upgraded space for the Interim Housing Program.

Sarah’s Circle is dedicated to providing permanent solutions for women in Chicago. Your support has gotten us to where we are today. Thank you. With your help, we can ensure that all women have homes of their own. Ultimately, we will end homelessness for all single women in Chicago.

Executive Director

Daytime Support Center
Open to any woman in need, the Daytime Support Center provides a safe space, services to meet basic needs, educational and general-interest programming, and case management to help women find permanent housing and increase self-sufficiency.

Interim Housing Program
For women who are currently homeless, the Interim Housing Program is a 50-bed shelter that provides 24-hour access to supportive services. It is designed to transition women into permanent housing as quickly as possible.

Permanent Supportive Housing
For women with a history of chronic homelessness, Sarah’s Circle provides 30 units of Permanent Supportive Housing, offering women safe, private homes and supportive services.
Sarah’s Circle opens as a drop-in center, named after a resident tabby cat

THEN In 1979, the agency served fewer than 10 women per day, providing access to basic needs.

NOW In 2018, the Daytime Support Center served an average of 51 women per day, offering access to phones, computers, laundry, mail, showers, and case management to help women find permanent housing solutions.

Sarah’s Circle hosts 1st Annual Winter Walk: a Mile in Her Shoes

THEN In 1993, the 1st Annual Winter Walk raised about $3,500 and had nearly 100 attendees.

NOW In 2018, the 26th Annual Winter Walk raised over $110,000 and had 350 attendees.

Sarah’s Circle hires first Executive Director, Gail Russell

THEN Until 1992, the agency was entirely volunteer-run.

NOW In 2018, 350 volunteers served in the agency’s programs, while dozens of others volunteered their time on the agency’s Board of Directors, Impact Board, Associates Board, and several committees.

Sarah’s Circle welcomes Kathy Ragnar as new Executive Director after Gail Russell retires

THEN In 2006, when Kathy joined, she was only the 5th member of the staff.

NOW A team of 28 employees provides clients with a full continuum of programs focused on ending homelessness for women, including the Interim Housing Program and Permanent Supportive Housing Program.
Sarah’s Circle launches Permanent Supportive Housing Program

THEN Upon its launch in 2007, this program offered 10 apartments for women experiencing chronic homelessness.

NOW The Permanent Supportive Housing Program offers 30 apartments and will continue to grow with Sarah’s Circle’s developments, including the new building at 1005 West Leland Avenue.

Sarah’s Circle opens new facility to house the Daytime Support Center, an additional 10 units of Permanent Supportive Housing, and administrative staff offices

THEN In 2013, with this new home, the agency increased capacity in the Daytime Support Center and the Permanent Supportive Housing Program, serving more of Chicago’s most vulnerable women.

NOW In 2018, Sarah’s Circle served 798 women: 33% of our clients were 55 or older, 42% experienced a mental health condition, and 100% were low-income and in need of affordable housing.

Sarah’s Circle begins operating 50-bed Interim Housing Program for women, the largest program of its kind in Chicago

THEN From 2011-2012, its first full year, this program served 196 women and helped 45 find permanent homes.

NOW In 2018, this program served 255 women and helped 72 find permanent homes.
Sarah’s Circle creates an Associates Board for young professionals

THEN In 2016, the new Associates Board filled the gap between volunteering and serving on the Board of Directors, offering a formal way for young professionals to become advocates for Sarah’s Circle.

NOW In 2018, the Associates Board had 26 active members who supported agency-wide events, hosted two fundraisers of their own, and volunteered together throughout the year.

2016

Sarah’s Circle purchases property at 1005 West Leland Avenue to include additional housing and a permanent home for the Interim Housing Program

THEN Having helped thousands of women since 1979, Sarah’s Circle received a vote of confidence in the form of a transformational grant for $14 million to secure this property.

NOW After helping 91 women find permanent homes in 2018, the development of this property further affirms Sarah’s Circle’s role as an impactful and reliable service provider in the Chicago community.

2018

Sarah’s Circle forms Impact Board to raise advocacy and awareness

THEN In 2018, the agency formed the Impact Board to educate wider circles about the needs of single women experiencing homelessness.

NOW Impact Board members serve as powerful advocates for Sarah’s Circle, participating in quarterly educational sessions, hosting their own friend-raising and fundraising events, and developing a speakers bureau.
Sarah’s Circle breaks ground on new property, creating a Sarah’s Circle asset and a long-term solution for women experiencing homelessness

THEN Since 1979, Sarah’s Circle has rented five different homes for the agency’s programs and administration.

NOW Sarah’s Circle owns the building that houses the Daytime Support Center, Permanent Supportive Housing, and administrative offices. With this second development, Sarah’s Circle will create a permanent home for the Interim Housing Program as well as 38 units of Permanent Supportive Housing.

2019

2020 and Beyond

Sarah’s Circle opens new building to ensure a future where Chicago’s most vulnerable women have homes of their own

NOW With a focus on ending homelessness for women in Chicago, Sarah’s Circle looks forward to opening the agency’s second building in 2020.

FUTURE Stay tuned! Beyond the second building, Sarah’s Circle’s Board and staff are planning to develop additional housing for women who are homeless in Chicago.

The remaining surplus of $672,951 was created due to the tremendous support from Sarah’s Circle donors, with a significant amount from anonymous donors. Sarah’s Circle maintains optimal reserves for the maintenance of properties and to ensure adequate funding for program operations. Additionally, Sarah’s Circle will utilize funds for additional housing for women who are homeless, allowing us to further our mission.
